

This image displays a variety of Halloween-themed cutouts. The central focus is the phrase "Trick or Treat" rendered in multiple styles: a large, bubbly font at the top; a tall, thin, outlined font in the middle; and a blocky, outlined font at the bottom. Surrounding the text are several iconic Halloween symbols, each with a decorative scalloped border: a witch's hat, a ghost, a bat, a pumpkin, and a jack-o'-lantern. The entire set of cutouts is presented in a light blue line-art style on a plain white background.
